Le jet-ski est une façon de vivre dans la famille PORET.

J'ai toujours été dans le monde du jet-ski et j'ai toujours été attiré par la compétition. J'aime ce sport, il me procure des émotions indescriptibles. L'adrénaline du départ, l'excitation de la course et de la compétition, le besoin de victoire et le dépassement de soit même sont les éléments qui font que je ne peux plus me passer de mon Jet. Jetpilot reflète exactement l'image extrême et fun du jet-ski. Pour moi c'est une évidence de m'associer à la marque Jetpilot. Nous avons le même esprit jeune et dynamique, toujours à la recherche de progression. Grâce à Jetpilot je suis beau et pro !!!

Für mich ist Rennen fahren eine Sucht. Das Tempo das wir fahren, Seite an Seite zu pushen und mentale Stärke zu beweisen, das macht für mich das aus, was ich am meisten liebe. Ich bin bereit, mich selbst jeden Tag außerhalb meiner Komfortzone zu bewegen, um die beste Version von mir selbst zu werden. Ein Champion ist jemand, der Unglaubliches erreicht indem er tut was er liebt.

For me racing is an addiction. The speed we are going, side by side, pushing, touching and being mentally strong makes it what I love most. I am willing to push myself beyond my comfort zone everyday to become the best version of myself. A Champion is someone who is beyond beliefs by doing what he loves.
